There are many today who always have their confidence in things they can see. If they would only get their eyes on God instead of on natural things."*
- *"You believe it is the Lord's will for you to suffer (sickness), but you are trying to get out of it as quickly as you can. Drop the idea that you are so holy that God has to afflict you. Sin is the cause of your sickness, not righteousness. Disease is not caused by righteousness, but by sin."*
